

You can use your Nebraska state income tax liability to provide scholarships for students to attend a Christian school.

Who am I helping?

- Students living in Nebraska
- Students with an IEP or other statuses set by the state
- Students entering kindergarten or 9th grade, or a student who was enrolled in public school for at least one semester immediately preceding the first semester for which the student receives a scholarship.
- Students whose household income is below 300% of the federal reduced lunch income guidelines.

Children's Tuition Fund is an approved Scholarship Granting Organization in the state of Nebraska; it facilitates the Opportunity Scholarship Act. CTF exists to provide families access to a Christian School where students can flourish and get the education parents desire for their kids.

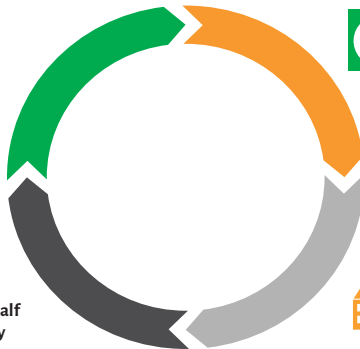

How can I help?

Connect with CTF and use 50% of your state income tax liability to get a 100% tax-credit. E.g., if your state income tax liability is \$5,000 you can send \$2,500 to CTF and get a \$2,500 tax-credit.

If you need more information or are ready to reserve your tax credits, please sign up at our website or contact us.

1. Determine your tax liability and notify CTF of the amount of tax-credits you want to reserve

2. CTF will confirm credit availability with the NE DOR and notify you to make your contribution. Contributions must be made between thirty-one and sixty days of notifying CTF of your desire to reserve credits.

3. CTF will issue you a receipt letter that must be submitted with your tax return.

4. Receive 100% tax-credit on up to half of your tax liability
